

Klangwerkstoff Records

Format: CD
Artist: Akasha Project
Title: Solar System
Catalog#: KW008
Label Code: 16011
Total Playtime: 76.40 min.
Releasedate: 12.02.2012
EAN: 4036067312738
Style: Ambient, Electronic Music, Meditation, Cosmic Octave

Vertrieb: www.silenzio.de
Label: www.klangwerkstoff.de
Artist Website: www.akashaproject.de

Berlin Ambient Label Klangwerkstoff Records present their 8th CD release:

Akasha Project - Solar System

Tracklist:

1. Earth	136,10 Hz	08:15 min
2. Moon	210,42 Hz	10:45 min
3. Mercury	141,27 Hz	12:01 min
4. Venus	221,23 Hz	12:04 min
5. Jupiter	183,58 Hz	11:06 min
6. Saturn	147,85 Hz	15:41 min
7. Pluto	140,25 Hz	06:48 min
total playtime:		76:40 min

Two years after the release of his album H² The Quantum Music of Hydrogen - KW 005 Barnim Schultze /Akasha Project presents his new masterpiece Solar System - KW 008.

The planet's orbits around the sun are acoustically represented by applying Hans Cousto's cosmic octave system.

The Solar System CD contains seven tracks of therapeutic effective electronic ambient music, tuned by harmonic principles, which support deep relaxation.

The tone frequencies of this music were calculated purely mathematically – physically.

Those basic tones also known as Urtones by the work from Joachim Ernst Berendt are based on natural science.

These are acoustic high potentials of real frequencies. All tone intervals are tuned purely diatonic to present the natural overtone series.

All sequences and melodies have its source from the partial tones natural play above the basic tones.

The selection of the basic tones and their sequence result in a powerful acoustic entity and represents the essence of many of Akasha Projects concerts.

Alternative Medicine successfully uses harmonic tones in phonophoresis / tone acupuncture for many years.

Solar System is spherical music, which makes archetypical frequencies audible. A natural listening experience which invites the senses to perceive the surrounding cosmic reality. A powerful auditory travel through the solar system.

More information about the CD, the subject of functional music and the cosmic octave can be found at:
